AIR GRID

Air Grid is a hardwearing, comfortable, non-slip anti-fatigue mat. It is used in demanding work areas such as benches, counters, machines and workstations. Can be used also in wet areas like bars, food preparation areas and kitchens.

FEATURES

- Extremely comfortable - provides relief from constant standing.
- Leather grain pattern on surface eliminates trips and slips on mat.
- Spilt liquids drain from mat surface along channels and out holes to keep mat surface dry.
- Suction cups on underside assist in steady floor adhesion.
- Yellow border option ensures mat stands out.
- Grease proof option mat will not deteriorate in greasy conditions.
