CS200 ANT	2000mm wide

8mm thick

Classic Stripe is a heavy duty mat which is used in medium to high traffic entrances, lifts or lobbies in office buildings, schools and shopping centres.

Smoke

Walnut

Anthracite

## FEATURES

- The soft fibres of the mat surface absorb high amounts of liquid, drying shoes quickly.
- The coarse fibres scrape solid dirt and debris from footwear.
- Can be recessed or edged for loose laying.
- Attractive design will add a high class touch to interior decor.
