Up to 6500mm
in width

FEATURES

- 3 designer coloured fibre inserts, plus rubber.
- UV stabilised, minimising fading including external applications.
- Continuous extruded hinge mechanism allows easy 'roll-up' which assists cleaning of the matwell.
- Rubber backed for quietness.
- Recessed or surface mounted matwell frames.
- Custom manufactured to your dimensions.
- Curved, circular and shaped to your design.
- Low profile.
