DURA STEP

Dura Step matting is an ultra comfortable anti-fatigue and non-slip mat. It is made from nitrile rubber sheeting bonded to thick closed cell PVC foam. It is used in dry areas such as checkouts, counters, production lines, warehouses and much more.

FEATURES

- Ultra comfortable feel provides relief from constant standing.
- Rippled surface gives excellent traction for user.
- Closed cell foam base is very durable and will not absorb liquid.
- Nitrile rubber surface Resists damaging effects of greases oils and common chemicals.
- Easy to clean - mat can be brushed, mopped or wiped.
- Yellow safety border option increases visibility of mat.
