ULTIMATE DIAMOND FOOT

The Ultimate Diamond Foot Mat is a heavy duty anti-fatigue Mat used heavy use situations. The flexible vinyl checker plate patterned surface gives the Mat excellent anti-slip properties and is easy to clean, while the extra thick, super soft PVC foam provides an extremely comfortable standing surface. Bevelled edges on all four sides allow easy access on and off for foot or wheeled traffic and prevent trips. The grippy PVC foam underside allows the mat to sit steady on hard floor surfaces or low pile carpet. This mat is suitable for use in dry, very high use environments where extreme comfort and relief is needed from standing on a hard surface.

FEATURES

- Extra soft PVC foam underside provides relief and comfort when standing.
- Checker plate patterned surface gives excellent traction.
- No glue bond – adhesive free joining of the two part system reduces the chance of the mat delaminating thus giving it extra longevity.
- Non trip bevelled edges are safe and suitable for trolley wheels.
- Smooth surface is easy to clean.
- Mat can easily be cut or modified to shape and size.
- HACCP Certified for use in dry areas.
