**AIR GRID**

Air Grid is a hardwearing, comfortable, non-slip anti-fatigue mat. It is used in demanding work areas such as benches, counters, machines and workstations. Can be used also in wet areas like bars, food preparation areas and kitchens.

**FEATURES**

- Extremely comfortable - provides relief from constant standing.
- Leather grain pattern on surface eliminates trips and slips on mat.
- Spilt liquids drain from mat surface along channels and out holes to keep mat surface dry.
- Suction cups on underside assist in steady floor adhesion.
- Yellow border option ensures mat stands out.
- Grease proof option mat will not deteriorate in greasy conditions.
