Comfort Clean is a 100% nitrile rubber mat used for anti-fatigue and anti-slip purposes. It is used in wet or dry areas such as behind bars, counters, in food preparation, kitchen areas, laboratories, steel fabrication and industrial workshops.

## FEATURES

- Made from 100% Nitrile rubber ensuring mat is resistant to greases, oils and common chemicals.
- Closed cell "sponge" formula provides relief from constant standing.
- Anti-microbial formula resists the growth of bacteria and microbes on mat.
- Raised lugs on surface provides excellent traction and keeps mat surface dry.
- Bevelled edges eliminate trips or falls on mat edges.
- Easy to clean - hose, pressure, steam clean or machine wash.
- Drainage holes allow liquid to drain from mat quickly and easily.
- HACCP Certified.
