Comfort Zone is a comfortable anti-fatigue and non-slip mat. Used in demanding work areas. It is made from a dense foam enclosed between nitrile rubber surface and base. It is used in dry areas such as checkouts, counters, workstations warehouses and much more.

## FEATURES

- Ultra comfortable feel provides relief from constant standing.
- Textured surface provides traction for the user.
- Made from nitrile rubber which is resistant to greases and oils.
- Non-porous surface means mat won't absorb liquids.
- Easy to clean - mat can be brushed, mopped or wiped.
- Yellow safety border option increases visibility of mat.
