Comfort Clean Grit Top is a 100% nitrile rubber mat used for anti-fatigue and anti-slip purposes. It is used in very slippery areas due to high levels of grease, oil or water such as kitchens, at steel machinery and wash up bays.

FEATURES

- Made from 100% Nitrile rubber ensuring mat is resistant to greases, oils and common chemicals.
- Closed cell "sponge" formula provides relief from constant standing.
- Anti-microbial formula resists the growth of bacteria and microbes on mat.
- Grit coated surface provides unparalleled traction, eliminating slips.
- Bevelled edges eliminate trips or falls on mat edges.
- Easy to clean - hose, pressure, steam clean or machine wash.
- Drainage holes allow liquid to drain from mat quickly and easily.
