End

Comfort Clean is a 100% nitrile rubber mat used for anti-fatigue and anti-slip purposes. It is used in wet or dry areas such as behind bars, counters, in food preparation, kitchen areas, laboratories, steel fabrication and industrial workshops.

FEATURES

- Mat is resistant to greases, oils and common chemicals
- Provides relief from constant standing
- Raised lugs on surface provides excellent traction and keeps mat surface dry
- Bevelled edges eliminate trips or falls on mat edges
- Drainage holes allow liquid to drain from mat quickly and easily
