LOGO MAT COIR DESIGN

Logo Mat - Coir Design provides a natural look while getting your message across to everyone that comes through the door. Ideally used recessed, this product can also be edged with heavy duty edging for loose laid applications.

FEATURES

- Indoor or covered outdoor mat for high traffic entrances
- High moisture absorption
- Coarse coir bristles provide excellent scraping to the base of footwear
- Available in PVC Backed Coir for recessed matting or as loose lay Coir Mats.
- Black and grey options are fully dyed and will not fade.
