# LOGO MAT TRUE GRIP DESIGN

Logo Mat - True Grip is an excellent way to create an impression or get a message across to everyone who walks through your door. Suitable for high traffic outdoor entrances.

**FEATURES**

- A great way to get your message across to everyone that comes through your door.
- Raised lugs provide grip in wet and slippery areas.
- Nitrile rubber compound resists grease and oils extending mat life.
- Bevelled edges eliminate trips.
- Hard wearing design - your logo will wear with your mat for a longer lasting image.
- Used in high traffic areas outdoors.
