OPTI-SCRAPE

Opti-Scrape is an attractive and high performing scraper entrance mat designed for high traffic commercial business entrances. Conforms to AS ISO 9239.1 for flooring products.

FEATURES

- The aggressive scraper surface is designed to remove heavy soil and debris and contain it within the mat
- The slip resistant surface provides traction in high traffic entrances
- The unique rubberised backing grips the floor to prevent movement
- Can be recessed into the floor or edged for loose laying
- The attractive style compliments building interiors and can be custom shaped to create a feature
