SUPREME SCRAPE TILES

Supreme Scrape is a heavy duty mat designed for use in high traffic entrances — commercial office buildings, shopping centres, accommodation, education facilities and other busy entrances where high water absorption and dirt removal are required to create a safe clean building.

FEATURES

- Made from Polyamide, the most absorbent and hardwearing carpet surface
- Dual zone carpet fibre scrapes, cleans and dries feet as they pass over the mat
- Non-slip backing prevents mat from moving on your floor
- Tiles can be easily removed and replaced when needed
- Non-porous backing protects your floor from staining
- Conforms to AS ISO 9239.1
