ULTRA RIB

Ultra Rib is a high end commercial entrance mat for high traffic applications. The attractive close rib design makes this mat a high performing scraping mat, removing debris and moisture from shoes and wheeled traffic.

FEATURES

- Hardwearing polypropylene carpet surface for demanding commercial and public use
- Rib pattern effectively dries and scrapes shoes and wheeled traffic
- Heavy duty latex backing
- Ideally used as a recessed entrance mat in mat wells
- This product has been Slip Resistance tested, achieving a P5 (highest possible classification) in accordance with the National Construction Code (NCC) specifications
